

## Growing Great Kids Auction

*Save the Date*

*Growing Great Kids*

*11<sup>th</sup> Annual Auction and Gala Event*

*March 5, 2011*

*Bellingham Golf and Country Club*

We are very excited to announce that this year's event will include not only a dinner and live auction gala but a pre-gala reception as well. For those of you who are unable to commit to a full night of excitement, let us kick off your evening with a less formal, less expensive, reception to include wine, hors d'oeuvres and a silent auction. You can then go on to enjoy the rest of your evening knowing that you have participated in our school's largest fund-raising event of the year! For those of you wishing for a more formal night of excitement, stick around, we're just getting started! The gala will follow immediately after the reception. This event's ticket purchase not only includes the pre-gala reception but promises you dinner, a live auction and dancing!

For more information or if you wish to donate, please contact
