With the picture postcard backdrop of falling snow over the links at Bellingham Country Club, the 14th annual Growing Great Kids Auction & Gala was filled with excitement and exuberance and was a resounding success! With the spirited bidding and the generosity of so many donors of great auction items, tens of thousands of dollars were raised in this one evening. It’s exciting to think about what the proceeds will mean to our students. We are humbled by the overwhelming support of our sponsors, donors, and of course, our amazing Assumption community!

We would like to express our sincere gratitude and appreciation to our fellow auction team members with whom we were privileged to work alongside; each serving a key role in the auction results. Thank you to our school bookkeeper Angie King who handled all of the data management. Thank you to Teri Treat for her leadership and perseverance as the sponsor chair. A huge thank you to Phoebe Vanderboom who has been an incredible resource to the chairs, from answering our calls, emails, texts, to helping with the invite list, newsletters, and countless other important tasks. She has provided a wonderful support and friendship to the chairs and we are eternally grateful. We
