ASSUMPTION PRESCHOOL AND PREKINDERGARTEN

This week's News ~ February 19-26, 2024

Preschool:

- **Tuesday (Mid-winter break)**
- **Thursday**, we continued our Lenten journey with song, prayer, kind act and marking it on our path.
- We talked about the feeling of anger and thought of other words we use to describe anger. We also thought of things that make us angry and wrote our thoughts under our angry face we drew in our feelings book.
- We listened to the nursery rhyme "Hey Diddle Diddle". We cut and glued the correct number (1-5) under the rhyme pictures we counted out and drew the number "1".

HOMEWORK (for the year):

Parents: Teaching your child a balanced, life-long healthy lifestyle can be a year-long goal by encouraging them to spend a good portion of the day outside, where they can exercise, get fresh air, explore God's beautiful nature, and learn new skills. To promote healthy minds: drawing, coloring, cutting, writing, and reading to them (every day) are invaluable as well as limiting time in front of the TV and devices.

Prekindergarten:

- **Monday (President's Day)**
- **Wednesday**, we continued our Lenten journey with song, prayer, kind act and marking it on our path.
- We talked about kindness and thought of other words we use to describe kindness. We colored, cut, glued, and named 6 basic shapes. We also identified and put in order numbers 1-20.
- We celebrated the 100th day of school with our 4th Grade buddies. We completed a counting crown activity which had 10 stripes with 10 stickers on each (=100!)
- We continued our safety lessons with Gun safety and what to do if you get lost in a store. (We are working on learning our phone numbers and making sure we know our last name and our parents' names.)
- **Friday**, we attended church with the whole school. The Mass plans were changed, so there was not a Homily today. We did talk about how Jesus listens to his Father, which was what our Seeds lesson was about this week.
- We practiced writing letters R,r and number 3. We also identified pictures that begin with "r".
- We put Commandment #2 in our "tablets".
- We practiced jumping over a rope with one foot then 2 feet at PE in the gym with Coach Eager. We also learned the "Chicken Dance".
- Today's safety lesson was about never accepting things from strangers.
- We listened to a story and checked out books from the library with Mrs. Kim.

KEEP SCROLLING FOR MORE ...

HOMEWORK (for the year):

Parents: Teaching your child a balanced, life-long healthy lifestyle can be a year-long goal by encouraging them to spend a good portion of the day outside, where they can exercise, get fresh air, explore God's beautiful nature, and learn new skills. To promote healthy minds: drawing, coloring, cutting, writing, and reading to them (every day) are invaluable as well as limiting time in front of the TV and devices.

- Please remember, every Wednesday is an early release day at 2:00 p.m.
- One of our many goals is to teach independence to your child. We ask them to attempt all self-care (toileting, putting on shoes, putting on jackets, carrying their bags, hanging up their backpacks and coats, etc.) by themselves before helping if needed. We would appreciate if you would support this at home by allowing them to do as much as they can. They will surprise you!

Upcoming events in March and April, 2024
