ASSUMPTION PRESCHOOL AND PREKINDERGARTEN

This week's News ~ September 7-September 11, 2026

Preschool:

- **Tuesday**, we began with tub time, and morning meeting, which included Living Faith daily devotional, songs, attendance, prayers, and pledge.
- At center time we talked about how God made us unique. We drew pictures of ourselves, colored, it and practiced writing our names. We also colored a picture about our favorite things. We read a book about things we can do now, that we couldn't do as a baby. We practiced saying our first and last names.
- For those who stayed all day, we had partner play, lunch, quiet time, afternoon outside play, Monkey Mind calming activity, story and more partner play.
- **Thursday**, we began with tub time and morning meeting, which included Living Faith daily devotion, sharing songs, attendance, prayers, and pledge.
- Our topic today was our families and pets. We read 2 stories outlining what different families look like, and we talked about who was in our families. We drew faces on circles and glued them to a family portrait page representing everyone in our family. We also sang a song to everyone in our family, and we shared with the class those in the family pictures we brought to class.
- During Chapel time, we talked about how Jesus wants us to love our enemies, and to forgive those who hurt us.
- For those who stayed all day, we had partner play, lunch, quiet time, afternoon outside play, Monkey Mind calming activity, and more partner play.

Homework:

Parents: Helping your child develop healthy habits is a year-round goal. Encourage them to spend time outdoors each day where they can be active, enjoy fresh air, explore God's beautiful creation, and develop new skills. To support healthy minds, provide opportunities for drawing, coloring, cutting, writing, and reading together every day. Limiting screen time, including television and other devices, also helps promote healthy growth, learning, and overall well-being.

Prekindergarten:

- **Monday, NO SCHOOL – Labor Day**
- **Wednesday** began with tub time and morning meeting, including our Living Faith devotion, sharing, songs, attendance, prayers, and the Pledge of Allegiance.
- We enjoyed our first music class with Ms. Varon, keeping time with the ukulele, singing rhyming songs, and practicing rhythm with rhythm sticks.
- In religion, we learned that God made each of us special and unique. We celebrated our individual gifts, drew self-portraits, were weighed and measured to begin our year-long growth journey, and read *The Berenstain Bears: God Made You Special*.
- In math, we practiced color recognition, sorting, counting, and one-to-one correspondence.
- We enjoyed lunch and quiet time before our early release dismissal.

-
- **Friday**, we began with tub time and morning meeting which included Living Faith daily devotional, sharing, songs, attendance, prayers, and pledge.
- At center time we began working in our handwriting workbooks with “top to bottom” and “right to left” lines. We also colored 3 apples with different colors, cut them and glued them into our math journals.
- We talked about our families and shared them by showing the pictures we brought from home.
- We also had partner play, lunch, quiet time, and afternoon outside play time.

To support healthy minds, provide opportunities for drawing, coloring, cutting, writing, and reading together every day. Limiting screen time, including television and other devices, also helps promote healthy growth, learning, and overall well-being. In Prek we work a lot on memorizing personal data, such as address and phone number… Remember: car time is “captive audience” time, a great time to practice spelling names, counting, and ABC’s!

PLEASE REMEMBER

- **Every Wednesday is an early release day at 2:00 p.m.**
- **One of our many goals is to teach independence to your child. We ask them to attempt all self-care (toileting, putting on shoes, putting on jackets, carrying their bags, hanging up their backpacks and coats, etc.) by themselves before helping if needed. We would appreciate if you would support this at home by allowing them to do as much as they can. They will surprise you!**
