10 family members can connect to each student.

- **Can family members add another child to their account?**

Yes, family members can connect to up to 10 children. Families adding another child should sign in to their account, tap their profile icon, then choose +Add Child's Journal.

- **Do you have the family invites in other languages?**

Yes, from the Seesaw app or website, you can get invites in 10+ common languages.

- **Why do I need to approve some family members request to access Seesaw?**
