Specialist' News

P.E.- This week in PE we learned the hokey pokey using hula hoops. We talked about partner acceptance and learned verbal and non-verbal communication by playing a cooperation game called "Birds in a Nest". We also played a game called tail tag with scarves.

SPANISH- They learned some parts of the body and what they do with them: con mis orejas yo escucho; con mi boca yo canto; con mis manos yo aplaudo; con mis pies yo juego; con mi cuerpo yo bailo; con mis ojos yo miro (with my ears I listen; with my mouth I sing; with my hands I clap; with my feet I play; with my body I dance; with my eyes I look).

ART- Students created adorable penguins using simple art supplies. The swirling lines in the background give a sense of wind and movement, making each piece lively and dynamic.

Music-This week in music class we are...

- Keeping a steady beat with Apples, Peaches, Pears and Plums, jumping into the circle on their birthday month
- Writing the music notes for Apples, Peaches, Pears and Plums, connecting sound to written notation
- Moving to music by Johann Sebastian Bach and learning about his life and the time period in which he lived
