Please write quantity desired on the line beside scent.

Soap for Hope:

Kids Helping Kids

We started Soap for Hope in order to make soap and give back! All proceeds from Soap for Hope will go to help those less fortunate. The kids will take the money and go shopping for Christmas presents for families off a Giving Tree.

Our goal is to help our kids learn a little bit of arts and crafts, a little bit of entrepreneurship, and a whole lot of giving back.

- Pre-orders (see reverse side) accepted through **December 11th**
- Orders ready for pick up at school on **December 15th**
- Payment will be collected at pick up, cash or check only. The school cannot accept payment.

Thank you for helping us help others,

Families of Addy and Grace

ACS Second Graders
