

Staff Christmas SCRIP Program

Family Name for Credit: _____

Christmas is quickly approaching and you are thinking what can you give to teacher & staff? We have a very popular Christmas SCRIP program that allows you to contribute to one or more staff members & let them purchase SCRIP for whatever they enjoy the most! This is how it works:

- Indicate next to the staff member's name how much you would like to contribute (minimum \$1).
- Write a check made payable to Assumption SCRIP.
- Before the Christmas Break each staff member is given their SCRIP total to purchase the SCRIP of their choice.
