

COUNSELING TRAINING CLINIC

Free Individual Counseling

Western's Counseling Training Clinic has been a valuable resource to Bellingham and the surrounding communities for over 25 years.

Graduate students in Western's Psychology Department provide free tele-mental health counseling sessions, under faculty supervision.

Counselors work with children, adolescents, and adults and are trained to deal with a wide range of concerns including:

APPOINTMENTS AVAILABLE

COVID-19 NOTICE

Although in person sessions are temporarily suspended due to COVID-19, the Counseling Training Clinic is available for remote services January through June, 2021. We can be reached by phone at (360) 650-3184 Monday through Friday from 8am-5pm. During this time, we will be seeing adolescents (13 years and older) and adults. For families with younger children, we will offer parent consultation services.
