

# GROWING GREAT KIDS

FOSTERING FUTURE COMMUNITY LEADERS OF WHATCOM COUNTY

Dear Assumption Catholic School Parent(s),

Every year Assumption Catholic school hosts the Growing Great Kids Auction and Gala. This is our school's largest fundraiser and truly a fun event! Everyone is invited to attend. To help out with auction proceeds, each family has an obligation to fulfill. Families with children in K-8 have a \$200 obligation that is due by January 22, 2022. You will find a procurement form and a sponsorship form in today's Wednesday envelope. A completed procurement form should be turned in with cash, Scrip, or physical item that is donated. This is how we know which family should be credited with the donation. \*\*Please do not turn in procurement form until the cash, Scrip or item is being turned in.

**Ways you can fulfill your obligation are:**

- Cash donation of \$200.
- Scrip donation of \$200. You will be given a 10% credit to your scrip obligation. These donations can be used to build amazing auction packages while you earn money toward your obligation!
- Donation of item or service worth \$200. This donated item could be something that you purchase or it could be something that you request as a donation from a business. We think the best donations are things that you would want to purchase! Keep in mind that if you have a really great idea for an item or experience worth more than \$200, you can join with another family to purchase the item together!
- Sponsorship of \$200. Do you own a business or know someone who does? They can choose to be a sponsor of the auction with a tax-deductible donation! Contact the lead of our sponsorship team, Katherine Deets, at [katherinedeets@yahoo.com](mailto:katherinedeets@yahoo.com).

If you have any questions, please email us at [growinggreatkidsauction@gmail.com](mailto:growinggreatkidsauction@gmail.com)!

Thank you for your support,

Tiffany Schuman and Lisa Twining
