

# JOIN THE 2023-2024 ACS EAGLE BAND!

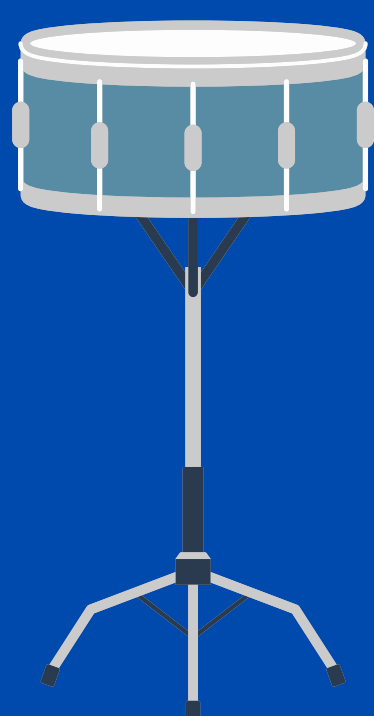

---

**Be a part of history! The 2023-2024 will be the first-ever class of band students in the history of The Assumption Catholic School.**

**By joining the band, you will make new friends, build confidence, make music, and most importantly: have fun!**

# ACS EAGLE BAND

## FAQS

### 1. I have never been in band or played an instrument. Can I still join?

YES! We teach students everything from how to read notes and rhythms in music, proper care, assembly, and maintenance of the instruments... you name it!

### 2. I am involved in sports and other school activities. Will I be able to join band?

ABSOLUTELY! We love when our students are involved in other activities, and encourage students to become well-rounded, members of school life. In other words: Go for it!

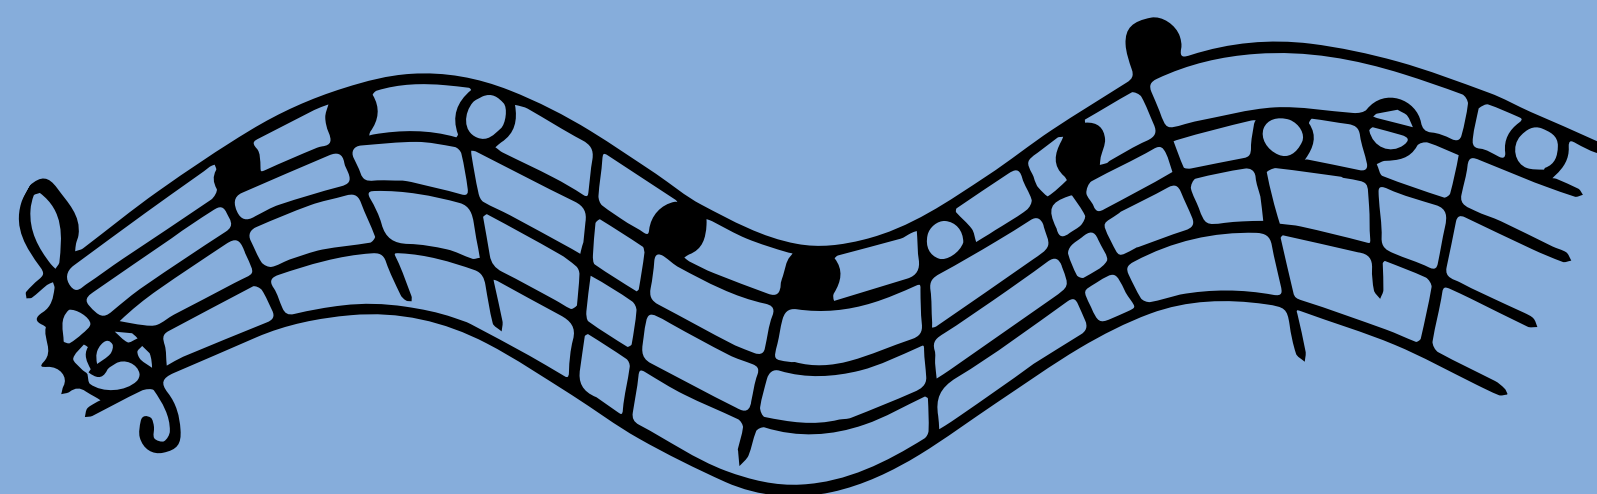

### 3. What instrument will I play when I join the band?

Great question! With this being the ACS Eagle Band's inaugural year, we will be offering the following instruments: flute, clarinet, trumpet, trombone, and percussion (drums). These 4 instruments are GREAT for 1st year band students and can open doors to playing other instruments in the future (like French horn, saxophone, baritone, and tuba). Please check out Mrs. Creech's website and fill out the "Interest Form" and/or the "Instrument Matching Tool":

<https://www.bepartofthemusic.org/group/index.php?id=8397>

### 4. What if I do not have an instrument?

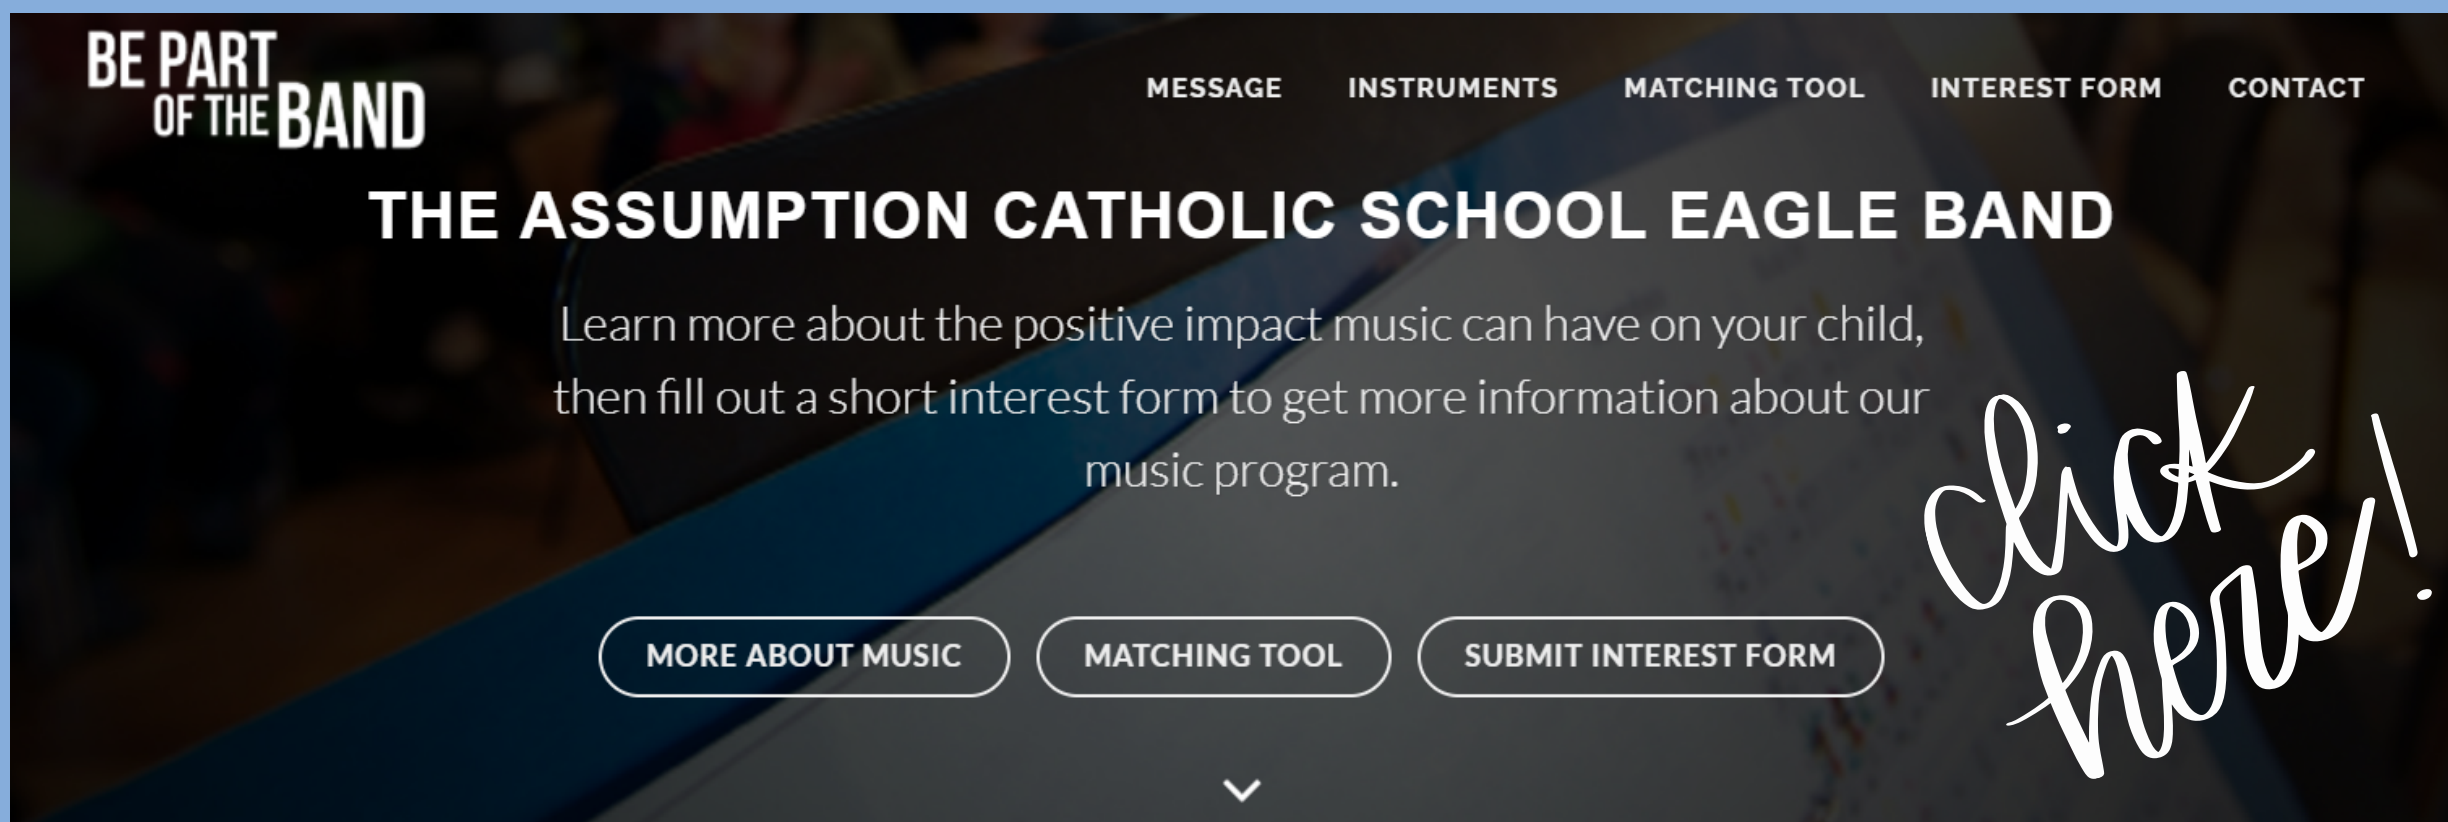

No problem! We are blessed to have two local music stores: [Bellingham Music](#) and [Bellingham Wind Works](#). They offer hassle-free monthly rentals for quality instruments. Do not fret about renting now! Once students have picked an instrument and communicated with Mrs. Creech, we can begin the rental process! Students will not be playing their instruments for the first few classes of the 2023-2024 school year.
